## SPOKANE CAMPUS

# ASPIRE TO BE SOMETHING GREAT

**Classroom Learning is Crucial to Any Education;  
There's No Disputing That.**

But when it comes to some disciplines, sitting at a desk listening to lectures simply isn't enough. That's where we come in.

Our Carrington College® Spokane campus reflects this in every way. We offer hands-on learning tools that pick up where the books leave off, giving you real-world experience you can't find in front of a chalkboard.

## Learning Made Fun

Our modern classrooms and labs provide high quality technology and equipment. These include three computer labs, a dental operatory lab and darkroom, Medical Assisting lab, Medical Radiography lab and Massage Therapy clinic. These offer practical experiences that you will take with you throughout your career.

In addition to such a rich offering of program choices, we also offer the opportunity to meet one-on-one with your instructors, complimentary academic coaching and resume workshops available through our Career Services department.

## Rise to the Occasion With Carrington College

We have worked continually to upgrade our facilities and equipment to provide you an advantage when it comes to transitioning into the workforce after you have successfully completed your studies.

What's more, we pride ourselves on a friendly atmosphere, shared among the students, the faculty and the public we serve. It's a great place to learn and a great place to prepare for your future. If you're in the area, please stop by and see why we are so enthusiastic about our campus.

We're located in the stunning Spokane Valley, whose natural beauty will help stimulate you and make you feel at home within our campus family.
