**CARRINGTON
COLLEGE®**

**This addendum supplements
Volume I**
Effective February 1, 2017

©2017 Carrington College. All rights reserved. Carrington College reserves the right to change the terms and conditions outlined in this catalog at any time without notice. Information is current at the time of printing. This catalog supersedes all previous editions and is in effect until a subsequent catalog is published either in print or online. Updates made after the initial publication on January 1, 2017 are available via carrington.edu/carrington-college/catalog/. It is the responsibility of applicants and students to check for updates. Carrington College is a subsidiary of DeVry Education Group, 3005 Highland Parkway, Suite 700, Downers Grove, IL 60515, 630.515.7700. DeVry Education Group is also the parent organization of American University of the Caribbean School of Medicine, Becker Professional Education, Chamberlain College of Nursing, DeVry Brasil, DeVry University and its Keller Graduate School of Management, Ross University School of Medicine and Ross University School of Veterinary Medicine.

ACCREDITATION & APPROVALS

The following changes were made to the Carrington College Catalog:

Table of Contents amended, additions made:

Veterinary Assisting added, page 115

Nursing Bridge added, page 66

Addition of student complaint contact information for Nebraska on page 12:

Nebraska

If a student has a complaint regarding a private postsecondary career school that is overseen by the Nebraska Department of Education (NDE)-Private Postsecondary Career Schools, he/she should contact NDE at (402) 471-4825, 301 Centennial Mall South P.O. 94987 Lincoln, NE 68509-4987 or <https://ccpe.nebraska.gov/student-complaints-against-postsecondary-institutions>.

Accreditation and Approvals on page 13: Updated approval statement for Washington State Board of Pharmacy

The Spokane campus Pharmacy Technology program is approved by the Washington State Board of Pharmacy, P.O. Box 1099, Olympia, WA 98507 – 1099, 360 236 4700, hsqa.csc@doh.wa.gov

Updated Veterans Benefits Approval Statement on page 13:

Selected programs of study at the Carrington College Spokane campus are approved by the Workforce Training and Education Coordinating Board's State Approving Agency (WTECB/SAA) for enrollment of those eligible to receive benefits under Title 38 and Title 10, USC.

Added points of contact for students using Veterans Education benefits on page 14:

Point of contact for students using veterans education benefits at the Carrington College Spokane campus:

Shannon Schranck
Student Finance Advisor

Changes were made under Admission Testing on page 192:

Physical Therapy Technology (California Campuses) was removed from the list requiring a minimum Wonderlic SLE score of 15. Physical Therapy Technology, all campuses must pass the Wonderlic Scholastic Level Exam (SLE) with a score of 13 or higher.

Language correction regarding transfer credits on page 198:

TC (transfer credit)

When students have properly applied for and have been granted transfer credits prior to starting the Program. The grade of “TC” is counted as credit hours earned, but does not count as credit hours attempted and is not included in the GPA calculation.

Language correction for eBook in Tuition & Fees on page 211:

Electronic Book (eBook) Fee – For courses utilizing eBooks, a \$30 fee is charged for each eBook. In most cases, students have the ability to purchase their eBooks from an outside source, but must purchase those specified by Carrington. Students wishing to purchase their eBooks from an outside source may decline the Carrington eBook. In these instances, a \$30 credit will be provided for the eBook fee. Students must decline by the end of the first week of the course for which the book is first assigned. After the decline deadline, the eBook fee is non-refundable. If the eBook is accessed and/or the printed eBook version ordered, the option to decline is no longer available and the eBook fee is non-refundable.

SUPPLEMENTAL INFORMATION

Tuition & Fees table updated for Boise, Phoenix East and Reno campuses, pages 218-222:

Boise *Tuition and Fees Effective February 1, 2017*

Tuition Per Credit Hour					
Program	Technical Course	General Education Course	Books and Supplies	Tuition and Fees	Total Program Cost ¹
Dental Assisting Certificate	\$362	\$486 ²	\$1,005	\$14,104.00	\$15,109.00

SUPPLEMENTAL INFORMATION

Addition of Compliance with VA's 85/15 rule on page 227:

Compliance with VA's 85/15 rule

Carrington College limits student enrollment to 85% veteran enrollment per program of study in accordance with U.S. Department of Veterans Affairs. In the event that a veteran wishes to enroll into a program that has already reached the 85% cap, he or she may do that but will not be eligible for VA funding. Chapter 35 and 31 students may still enroll even if the 85% has been realized.

Addition to language under Veterans Benefits on page 227:

VA students receiving education benefits will not be able to be paid basic allowance for housing during break periods.

Supportive technologies and equipment list added within the specific program selections:

Criminal Justice

Carrington College uses technologies and equipment to support the learning process such as: microscopes, fingerprint-dusting kits, evidence tape strips, markers and crime scene flags, gunshot residue kits, luminol forensic kit and casting stone kits.

Dental Assisting

Carrington College uses technologies and equipment to support the learning process such as: dental chairs, dental stools, x-ray machines, air-water syringe, stethoscope, training manikin, manual blood pressure machine, teeth models, dental materials and additional supplies.

Dental Hygiene

Carrington College uses technologies and equipment to support the learning process such as: patient and operator chairs, computer software, x-ray machines, autoclave, teeth models, human skull models, vacuum and water filter by-pass.

Massage Therapy

Carrington College uses technologies and equipment to support the learning process such as: massage tables, massage chairs, anatomical software, skeletons, hot stones kit, thermal blankets and exercise balls.

Medical Assisting

Carrington College uses technologies and equipment to support the learning process such as: venipuncture chair/stations, EKG machines, exam tables, microscopes, incubators, autoclave, eyewash station, stethoscope, blood pressure cuffs, urine, blood and hematocrit centrifuge.

Medical Laboratory Technician

Carrington College uses technologies and equipment to support the learning process such as: phlebotomy chairs, laboratory refrigerator and freezer, microscopes, prepared slides, microscope slides, test tube racks, tourniquets, lab equipment such as; urinalysis cups and strips, needles and lancets.

SUPPLEMENTAL INFORMATION

Medical Radiography

Carrington College uses technologies and equipment to support the learning process such as: life-sized human skeleton, dis-articulated half skeleton, x-ray machine, table and printer, biopsy trays and IV start kit.

Pharmacy Technology

Carrington College uses technologies and equipment to support the learning process such as: cash register, crash cart, medication cart, med dispense, set of compounding supplies, balance/scale, beakers, Rx bottles, labels and pill counting trays.

Physical Therapist Assistant

Carrington College uses technologies and equipment to support the learning process such as: upright bicycle, treadmill, whirlpool tub, transportable ultrasound units, crutches, walkers, canes, model skeletons and anatomical charts.

Physical Therapy Technology

Carrington College uses technologies and equipment to support the learning process such as: exercise balls, anatomical charts, upright bicycle, treadmill, extremity whirlpool, patient lift, transportable ultrasound unit, skeletal models, massage tables and braces or slings.

Respiratory Care

Carrington College uses technologies and equipment to support the learning process such as: bedside table, IV poles, emergency cart and simulator w/ laptop, nebulizers, arterial arm stick kit, blood pressure cuffs, molecule model sets, articulated skeleton, incubator and emergency carts.

Surgical Technology

Carrington College uses technologies and equipment to support the learning process such as: fully functional O.R. table and scrub sink, IV poles, anesthesia machines, transportation gurney, manikins for mock surgery, prep trays, syringes, needles, and electrocautery knives.

Veterinary Assisting

Carrington College uses technologies and equipment to support the learning process such as: model animals, anesthesia machines, autoclave, blood pressure equipment, cardiac monitor, microchip scanner, microscopes, scales, stethoscopes and examination tables.

Veterinary Technology

Carrington College uses technologies and equipment to support the learning process such as: small and large animal skeletons, anesthesia machine, animal gurney or stretcher, cardiac monitor, blood pressure monitoring equipment, electrosurgical equipment, emergency crash kit and restraint equipment.
