Veteran Assistance
from ASPIRE Student Assistance

Whether transitioning from service to civilian life, adapting to school life, or adjusting to change, veteran students have specific needs.

ASPIRE Student Assistance can help address a wide range of issues:
- Financial and legal consultation and referrals
- Mental, behavioral and emotional health
- Post-Traumatic Stress Disorder support and resources
- Career assistance and job search referrals
- Transitioning back to school, work and civilian life
- Military family concerns, parenting and child care issues
- Relating to other students and school environment
- Community-based resources
