## About the Campus

The campus is located just west of I-25 on Menaul Boulevard. The campus is centrally located and offers over 35,000 square feet of space tailored to hands-on training and individual interaction between instructors and students. The campus provides fully equipped science labs and a simulation lab that uses computerized human patient simulators and custom-designed scenarios to help students develop skills and build confidence.

The campus includes classrooms with Apple TV®, ceiling-mounted LCD projectors, wireless access, and a Student Success Center equipped with reference materials, textbooks, and journals. The Carrington library website offers online resources and professional organization information. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.

## Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.
