About the Campus

Found just north of I-184, the Boise campus is located near many healthcare facilities. The campus features classrooms with Apple TV, wireless access, simulation labs equipped with current technology and a full multimedia library that provides a wealth of up-to-date resources for research and study.

The Carrington library website offers online resources and professional organization information. The 50,600 square feet of space provides a variety of valuable hands-on training in realistic settings. In addition, the campus also offers a dental clinic where students participate in providing complimentary and low-cost dental services to the students and members of the community. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.

Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

Career Services Advisors can help you:

- Develop your resume
- Prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume
- Start your career as soon as possible
