

# CARRINGTON COLLEGE

## *Get started on your education today*

### **BAKERSFIELD CAMPUS**

At Carrington College, you can start realizing your full potential with our diverse range of affordable programs. Most of these programs can be completed in as few as 9 to 19 months. With hands-on training and externships that provide real-world experience, these programs can help prepare you for that first day on the job or take your education to the next level.

Carrington College empowers students for success in nursing and allied health fields through career-focused programs that blend hands-on learning, simulation, and clinical experiences. The College delivers high-quality education in a supportive, student-centered environment that fosters critical thinking, collaboration, communication, and professionalism—preparing graduates to meet the needs of employers and communities. Carrington College is committed to the success of every student.

## ABOUT THE CAMPUS

The Bakersfield New Stine Road campus covers two floors and provides just over 30,000 square feet of space for student learning. Located in the southern San Joaquin Valley, this campus serves students in all neighboring communities between Visalia and Santa Clarita. The primary entrance on the main floor leads to a reception area, along with administrative offices for staff, administrative support, and student services. Multiple lecture rooms are strategically positioned throughout the building to accommodate large group instruction and computer lab activities for each program offered on campus. Additionally, there are designated lab training spaces for students in the Dental Assisting, Medical Assisting, Veterinary Assistant, and Pharmacy Technology programs. Medical Office Administration students benefit from dedicated lecture space to complete their studies. The campus also offers a convenient break area and library learning center for students. Faculty and staff have access to a private lounge for relaxation.

Classrooms are designed to replicate the professional environments students will encounter in their careers, such as hospital rooms, doctors' offices, and pharmacies. Each program is fully equipped with the essential tools and supplies to create an interactive and engaging learning experience. For example, Medical Assisting students at the Bakersfield campus have access to equipment like an Autoclave, EKG machine, and Injection Arm Trainer. Dental Assisting students practice taking x-rays using a digital imaging system, while Pharmacy Technology students utilize the necessary equipment to simulate reviewing and filling prescriptions, including computers, registers, sinks, and shelves stocked with empty prescription bottles. The Respiratory Therapy program features training equipment like an adult crisis auscultation mannequin and ventilators, and Diagnostic Medical Sonography students practice conducting ultrasounds using fully equipped exam tables with ultrasound machines, probes, and other critical tools.

The Bakersfield campus on California Avenue offers just over 8,000 square feet of space dedicated to Vocational Nursing student learning. Situated in the southern San Joaquin Valley, this campus serves students from neighboring communities between Visalia and Santa Clarita. The primary entrance opens to a reception area, along with administrative offices for staff, administrative support, and student services. Several lecture rooms are strategically positioned throughout the building to accommodate large group instruction and computer lab activities for the Vocational Nursing program. Additionally, the campus features a simulation room and skills lab specifically for vocational nursing students. Students also have access to a library and learning resource center, as well as a student lounge for breaks. Faculty and staff can enjoy a private lounge for relaxation. The simulation room and skills lab are designed to replicate the professional environments students will encounter in their career. The Vocational Nursing program is fully equipped with the essential tools and supplies to create an interactive and engaging learning experience. For example, the skills room for the Vocational Nursing students is equipped with six gurneys and mid-fidelity mannequins.

## BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.
