

CARRINGTON COLLEGE

Get started on your education today

ANTELOPE VALLEY (LANCASTER) CAMPUS

At Carrington College, you can start realizing your full potential with our diverse range of affordable programs. Most of these programs can be completed in as few as 9 months. With hands-on training and externships that provide real-world experience, these programs can help prepare you for that first day on the job or take your education to the next level.

Carrington College empowers students for success in nursing and allied health fields through career-focused programs that blend hands-on learning, simulation, and clinical experiences. The College delivers high-quality education in a supportive, student-centered environment that fosters critical thinking, collaboration, communication, and professionalism—preparing graduates to meet the needs of employers and communities. Carrington College is committed to the success of every student.

ABOUT THE CAMPUS

With just under 10,000 square feet, this campus serves students from the Lancaster-Palmdale area. The primary entrance leads to administrative offices for faculty, staff, administrative support, and student services. The campus features lecture rooms and computer access to support large group instruction for all campus programs. Students enrolled in the Medical Assisting and Pharmacy Technology programs benefit from dedicated skills labs tailored to their specific training needs. Medical Office Administration students benefit from dedicated lecture space to complete their studies. The Student Learning Center provides access to academic resources and a quiet space for study. Both students and faculty have access to separate, private break areas for relaxation.

Classrooms are designed to replicate the professional settings students will encounter in their chosen careers, such as hospital rooms, doctors' offices, and pharmacies. Each program is fully equipped with the essential tools and supplies to foster an interactive and engaging learning experience. For example, Medical Assisting students at the Lancaster campus have access to equipment like an Autoclave, EKG machine, and Injection Arm Trainer, and Pharmacy Technology students work with the necessary equipment to simulate reviewing and filling prescriptions, including computers, registers, sinks, and shelves stocked with empty prescription bottles.

BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

Career Services Advisors can help you:

- Develop your resume and prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume

ACCREDITATION

Carrington College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), 428 J Street, Suite 400, Sacramento, CA 95814, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at accjc.org.
