ABOUT THE CAMPUS

The Mesa campus is made up of two individual facilities approximately one mile apart. With over 53,000 square feet of space, the campus provides a diverse learning environment designed to give students valuable hands-on training in realistic settings. The campus includes classrooms equipped with Apple TV®, LCD projectors and wireless access. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services. The Carrington College library website offers online resources and professional organization information.

The campus features a simulation theater equipped with high-tech METI Human Patient Simulators, viewing systems and simulation programming capabilities. In addition to the simulation lab, the campus offers a modern Dental Hygiene clinic that is open to the public.

BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.
