ABOUT THE CAMPUS

The Phoenix campus offers certificate and degree programs. With 37,310 total square feet of space, the campus provides a diverse learning environment designed to provide hands-on training in realistic settings. Students have access to the student success center, computer labs, cafeteria and two student lounges. The campus provides fully equipped science labs and simulation labs that utilize computerized human patient simulators for students to develop skills and build confidence. The facility provides students with a simulation retail pharmacy laboratory. Dental Assisting students practice taking x-rays using a digital imaging system and Medical Assisting students train on EKG machines, Autoclaves and an Injection Arm Trainer. The campus also has wireless access, lecture classrooms with Apple TV[®], a learning laboratory, science labs and a Student Success Center equipped with reference materials and textbooks.

The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services. The Carrington College library website offers online resources and professional organization information.

BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

Career Services Advisors can help you:

- Develop your resume
- Prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume
- Start your career as soon as possible

ACCREDITATION

Carrington College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), 428 J Street, Suite 400, Sacramento, CA 95814, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at accjc.org.
