## ABOUT THE CAMPUS

The Rancho Cordova campus has nearly 18,000 square feet of space for student learning. Located in Northern California, this campus serves students in all neighboring communities in and around Sacramento. The primary entrance leads to a reception area, along with administrative offices for staff, administrative support, and student services. The building features lecture rooms and computer access to support large group instruction for all campus programs. The campus also offers a convenient break area and library learning center for students. Faculty and staff have access to a private lounge for relaxation.

Classrooms are designed to replicate the professional environments students will encounter in their careers, such as hospital rooms. Each program is fully equipped with the essential tools and supplies to create an interactive and engaging learning experience. For example, the Respiratory Therapy program features training equipment like an adult crisis auscultation mannequin and ventilators.

## BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.
