

# CARRINGTON COLLEGE

*Get started on your education today*

## VISALIA CAMPUS

At Carrington College, you can start realizing your full potential with our diverse range of affordable programs. Most of these programs can be completed in as few as 9 to 23 months. With hands-on training and externships that provide real-world experience, these programs can help prepare you for that first day on the job or take your education to the next level.

Carrington College empowers students for success in nursing and allied health fields through career-focused programs that blend hands-on learning, simulation, and clinical experiences. The College delivers high-quality education in a supportive, student-centered environment that fosters critical thinking, collaboration, communication, and professionalism—preparing graduates to meet the needs of employers and communities. Carrington College is committed to the success of every student.

## ABOUT THE CAMPUS

With nearly 45,000 square feet, the Visalia campus serves students in all neighboring communities between Fresno to Bakersfield. The campus features a primary entrance leading to a reception area, along with administrative offices for staff, administrative support, and student services. Multiple lecture rooms are strategically positioned throughout the building to accommodate large group instruction and computer lab activities for each program offered on campus. The Library Resource Center provides access to academic resources and a quiet space for study. Additionally, there are designated lab training spaces for students in the Respiratory Therapy, Medical Assisting, Dental Assisting, Pharmacy Technology, and Nursing programs. Medical Office Administration students benefit from dedicated lecture space to complete their studies. The nursing students share a nursing simulation room on campus, while the Respiratory Therapy students have a simulation room dedicated specifically to their program. A wet science lab is provided for Nursing and Respiratory Therapy students to conduct experiments. The campus also offers a convenient break area for students. Faculty and staff also have access to a private lounge for relaxation.

Classrooms are designed to replicate the professional settings students may encounter in their chosen careers, such as hospital rooms, doctors' offices, and pharmacies. Each program is fully equipped with the essential tools and supplies to foster an interactive and engaging learning experience. For example, Medical Assisting students at the Visalia campus have access to equipment like an Autoclave, EKG machine, and Injection Arm Trainer. Dental Assisting students practice taking x-rays using a digital imaging system, and pharmacy technology students work with the necessary equipment to simulate reviewing and filling prescriptions, including computers, registers, sinks, and shelves stocked with empty prescription bottles. Registered Nursing students train using a high-fidelity mannequin, four mid-fidelity mannequins, and three low-fidelity mannequins. Vocational Nursing students train on six mid-fidelity mannequins. The Respiratory Therapy program utilizes training equipment such as an adult crisis auscultation mannequin and ventilators.

*Find Your Path.*

## BEYOND AN EDUCATION

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques. **Career Services Advisors can help you:**

- Develop your resume
- Prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume
- Start your career as soon as possible

## ACCREDITATION

Carrington College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), 428 J Street, Suite 400, Sacramento, CA 95814, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at [accjc.org](http://accjc.org).
