About the Campus

The Las Vegas campus offers certificate and degree programs in a more than 26,000 square foot facility composed of modern classrooms and laboratories. The campus includes classrooms equipped with Apple TV®, LCD projectors and wireless access. Labs are outfitted with microscopes, anatomy models, simulation manikins and other equipment to approximate each subject areas' professional settings. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.

The Carrington library website offers online resources and professional organization information. In addition, the Las Vegas campus partners with area hospitals and facilities to accommodate students in their clinical experience.

Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

Career Services Advisors can help you:

- Develop your resume
- Prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume
- Start your career as soon as possible
