### **Carrington, for all the right reasons.**

The mission of Carrington College is to provide learning opportunities to individuals in the communities it serves through postsecondary programs of study, which include general studies and professional preparation in career-focused majors. Our Ontario campus offers an associate degree program in the discipline listed below.

### **Program Available at Carrington's Ontario Campus:**

- Veterinary Technology

Carrington College's Ontario campus shares the facility with another accredited institution. The two colleges share a 50,000 square foot facility. Carrington College students are provided full campus access, including computer labs, comfortable student lounges, outside patio areas, a modern library and a student resources center.

The campus features dedicated veterinary technology laboratory and instructional space. Administrative space accommodates academic team, and student service roles for the college. The Carrington library website offers online resources and professional organization information.

## Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*.

Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

### Career Services Advisors will help you:
