About the Campus

The Phoenix Campus shares space with another accredited institution. The two colleges share a 120,000 square foot facility. Carrington College students have access to 34,313 total square feet (not including shared uses) of the student success center, computer labs, cafeteria and two student lounges. The facility provides students with a simulation retail pharmacy laboratory. The campus also has wireless access, lecture classrooms with Apple TV, ceiling-mounted LCD projectors, a learning laboratory, science labs and a medical library equipped with reference materials, textbooks, and journals. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.

The Trades Education Center was established in 2020 and is approximately 19,000 square feet. The facility provides students with wireless access, five lab spaces, two tool rooms and a student lounge.

The Carrington library website offers online resources and professional organization information.

Beyond an Education

Career services are available to all active students and graduates without charge.
