Get started on your education today

RENO CAMPUS

At Carrington College, you can start realizing your full potential with our diverse range of affordable programs. Most of these programs can be completed in as few as 9 to 23 months. With hands-on training and externships that provide real-world experience, these programs can help prepare you for that first day on the job or take your education to the next level.

The mission of Carrington College is to provide career-focused baccalaureate degree, associate degree, and certificate programs in healthcare, trades, and industrial majors to a diverse population of students.

Programs Available:

- Associate Degree in Nursing
- Medical Assisting
- Phlebotomy Technician Course

About the Campus

The Reno campus offers certificate and degree programs in an approximately 14,600 square foot facility that offers campus-wide wireless access, student lounge, classrooms and a fully-equipped science laboratory. Its learning resource center is equipped with computers with internet access, a skills laboratory and simulation theater. Classrooms feature Apple TV®, ceiling-mounted LCD projectors, computers and wireless access. The Skills Lab is used in a variety of ways to ensure students understand and practice techniques and follow procedural steps when interacting with patients. Simulators are programmed to mimic human functions such as breathing, heart rate, eye changes, etc., to elicit student observations. The Student Success Center contains print and electronic materials that include textbooks, and periodicals, which are available to all students. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.

The Carrington College library website offers online resources and professional organization information. The Reno campus also partners with area hospitals and facilities to accommodate students with clinical rotations and externships.
