

# CARRINGTON COLLEGE®

## Get started on your education today at Carrington College, San Leandro!

## Ready to change your life?

At Carrington College, you can start realizing your full potential with our diverse range of affordable, in-demand programs. Most of these programs can be completed in as few as 9 to 23 months. With hands-on training and externships that provide real-world experience, these programs will help prepare you for that first day on the job or take your education to the next level.

### **Carrington, for all the right reasons.**

The mission of Carrington College is to provide learning opportunities to individuals in the communities it serves through postsecondary programs of study, which include general studies and professional preparation in career-focused majors. Our San Leandro campus offers associate degree and/or certificate programs in the disciplines listed below.

### **Programs Available at Carrington's San Leandro Campus:**

- Criminal Justice: Corrections
- Dental Assisting
- Medical Assisting
- Medical Billing and Coding
- Pharmacy Technology
- Veterinary Technology

The San Leandro campus is a 40,000 square foot facility that offers both degree and certificate programs. The main campus houses 13 classrooms and learning labs, including a veterinary technology surgical lab. All programs maintain equipment, supplies and learning resources in the classrooms, including ceiling-mounted LCD projectors and DVDs, as well as computers for student access.

The Student Success Center is equipped with reference materials, textbooks, journals, and 30 student computers. The Carrington library website offers online resources and professional organization information. The campus also features a student break room.

## Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*.

Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.

### Career Services Advisors will help you:

- Develop your resume
- Prepare for interviews
- Explore opportunities to volunteer in your field
- Update your resume with your newly acquired skills, education, and externship
- Develop an efficient and effective employment search plan
- Research open positions
- Provide employers with your resume
- Start your career as soon as possible

*\*Carrington College does not guarantee employment, nor does it guarantee employment within specific salary ranges or in specific areas. Students should refer to the Career Services section in the student handbook for comprehensive information.*
