## About the Campus

The San Leandro campus is an approximately 39,000 square foot facility that offers certificate and degree programs. The campus houses classrooms and learning labs including a Veterinary Technology surgical lab. All programs maintain equipment, supplies and learning resources in the classrooms. The campus includes classrooms with Apple TV®, and ceiling-mounted LCD projectors, as well as computers and wireless access for student access. The Student Success Center is equipped with reference materials, textbooks, and journals and student computers.

The Carrington College library website offers online resources and professional organization information. The campus has a student testing center, staff lounge, copy/distribution center, conference room and administrative and faculty offices. The campus offers a variety of student services including enrollment services, financial services, registrar services, and career services.

## Beyond an Education

Career services are available to all active students and graduates without charge. Success in securing employment depends on the graduate's efforts and motivation, as well as on educational performance\*. Carrington works with every student on job-search strategies, job-market orientation, resume writing and interviewing techniques.
