

Supplement to the 2023 – 2024 Carrington College Catalog

Effective February 19 , 2024

This document is a supplement to the 2023 – 2024 College Catalog Volume IX and is provided for the purpose of notifying students of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog's publication.

This is a living document; changes will be added until publication of the next Catalog.

START DATES

Corrected the start dates for Phlebotomy Technician (Catalog p. 204, rev. **January 18, 2024**)

Added the start date for the Vocational Nursing certificate program (Catalog p. 205, rev.

January 29, 2024)

Dates in bold represent program starts for new cohorts as well as the start of a term for continuing students (see each program's introductory page to determine program availability by campus for new students).

Boise Campus Physical Resources

The Boise campus located off of I-184 offers certificate and degree programs. The campus features classrooms with Apple TV, wireless access, and simulation labs equipped with current technology. With over 36,000 square feet of space, the campus provides a diverse learning environment designed to give students valuable hands-on training in realistic settings. In addition, the campus offers a dental clinic where students participate in providing complimentary and low-cost dental services to members of the community. The Carrington College library website offers a multimedia library that provides a wealth of up-to-date resources for research and study as well as online professional organization information. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services.
