

Supplement to the 2025 – 2026 Carrington College Academic Catalog

Effective January 12, 2026

This document is a supplement to the 2025 – 2026 Academic College Catalog Volume XI.III and is provided for the purpose of notifying students of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog's publication.

This is a living document; changes will be added until publication of the next Academic Catalog.

Updated the Mission Statement (Catalog p. 1, rev. **December 4, 2025**)

MISSION STATEMENT

Carrington College empowers students for success in nursing and allied health fields through career-focused programs that blend hands-on learning, simulation, and clinical experiences. The College delivers high-quality education in a supportive, student-centered environment that fosters critical thinking, collaboration, communication, and professionalism—preparing graduates to meet the needs of employers and communities. Carrington College is committed to the success of every student.

Updated the programs offered at the Ontario, Rancho Mirage, and Visalia Campuses (Catalog p. 5,7,11, rev. **December 4, 2025**)

Updated the Licenses, Approvals, and Required Disclosures section for California at the Ontario, Rancho Mirage, and Visalia Campuses (Catalog p. 16, rev. **December 4, 2025**)

Carrington College's Ontario, Rancho Mirage, and Visalia Associate Degree in Nursing, Registered Nursing, and Registered Nursing – LVN to RN Bridge programs hold approval from the California Board of Registered Nursing,

PO Box 944210, Sacramento, CA 94244–2100, 916 322 3350, <http://www.rn.ca.gov/index.shtml>.

Updated the campus locations of Ontario, Rancho Mirage, and Visalia offering the Associate Degree in Nursing to new students (Catalog p. 27 and 29, rev. **December 4, 2025**)

Offered to new students at:

- **Albuquerque**
- **Las Vegas**
- **Mesa**
- **Ontario**
- **Phoenix**
- **Portland**
- **Rancho Mirage**
- **Reno**
- **Tucson**
- **Visalia**

* Online general education course

† Science-based general education course

** This course is not a degree requirement; students will be enrolled at the discretion of the Program Director

Note: Course descriptions begin on page 198.

Updated the Admission Requirements for the Dental Hygiene Program (Catalog p. 56, rev. **December 4, 2025**)

Admission Requirements

In addition to meeting the College's standard admission requirements, prior to starting the program, candidates must:

- Ontario and Visalia: Complete the Accuplacer entrance examination
- Sacramento and San Jose: Complete a dental hygiene observation including 3 hours of prophylaxis and 3 hours of scaling and root planing
- Mesa, Sacramento, and San Jose: Hold a current American Heart Association or Red Cross Basic Life Support (BLS) for the Healthcare Provider card
- Attend a Dental Hygiene program information seminar with the Program Director and enrollment services
- Mesa, Sacramento, and San Jose: Provide proof of current immunizations or titers showing immunity as follows:
 - Hepatitis B - Proof of 3 doses of vaccine, titer showing positive immunity, or signed declination which may affect eligibility to participate in clinical experiences
 - Measles, mumps, and rubella (MMR) - Proof of 2 doses or titer showing positive immunity
 - Varicella - Proof of 2 doses, positive titer, or healthcare provider documentation of disease history
 - Tetanus, diphtheria, and pertussis (Tdap) - Proof of 1 dose within the previous ten years
 - Tuberculosis (TB) - Negative 2-step Purified Protein Derivative (PPD) skin test (process below)
 - Initial PPD placement
 - Read in 48-72 hours
 - If the initial test is negative, repeat the PPD skin test in 7 – 21 days
 - If one skin test is positive, a follow-up chest x-ray is required to look for active disease
Documentation of a negative chest x-ray and physician follow-up documenting no evidence of active tuberculosis is required
 - or lab results showing interferon globulin results is required
- Idaho: Applicants must provide proof of current immunizations listed for Arizona and California (see above), or consent to recurring testing for infection of each of the listed diseases on a schedule consistent with the Center for Disease Control and the Idaho Board of Dentistry
- COVID-19 vaccination strongly recommended but not required

California applicants must complete the following admission requirements, prior to starting the program.

- Complete the following prerequisite courses at an accredited post-secondary institution, with a minimum grade of C in each course and a cumulative GPA of 2.75. This GPA will be calculated based off the prerequisite courses only.
 - Science courses with wet lab must have been completed within the previous five years for Sacramento and San Jose.
 - Science courses with wet lab awarded transfer credit for the Carrington College Dental Assisting degree program must have been completed within the previous seven years for Sacramento and San Jose.

General Education	Science
Oral Communication	Anatomy with wet lab*
Written Communication	Physiology with wet lab*
Psychology	Inorganic chemistry with wet lab
Sociology	Biochemistry or Organic Chemistry with Biochemistry with wet lab
Mathematics (Sacramento and San Jose)	Microbiology with wet lab
Intermediate Algebra (Ontario and Visalia)	Nutrition (Sacramento and San Jose)

*Ontario and Visalia: If Anatomy and Physiology are taken as a combined course (i.e., A&P1, A&P2), both courses must be taken at the same institution.

Updated the program page information for the Medical Administrative Assistant program (Catalog p. 91, rev. **December 30, 2025**)

Updated the admission requirements for the Registered Nursing Certificate program
(Catalog p. 143, rev. **December 4, 2025**)

Admission Requirements

In addition to meeting the College's standard admission requirements, prior to starting the program, candidates must:

- Complete the ATI TEAS Admission Assessment
- Hold a current American Heart Association Basic Life Support (BLS) for the Healthcare Provider card.
- Hold a current unencumbered California LVN license.
 - The program does allow applicants to challenge the LVN coursework and licensure requirements.
To successfully do so, applicants must:
 - Achieve a benchmark equivalent National Standard for ATI Fundamentals Proctored Assessment to establish foundational knowledge base.
 - Achieve a minimum score of 75% on the Final Exam for RN10 and RN10L.
- Completion of the following prerequisite coursework (minimum GPA of 2.5) at an accredited college or university:
 - Microbiology with Lab
 - Human Anatomy and Physiology with Lab

Carrington College has well defined policies and procedures that govern the acceptance of credit for coursework completed at other institutions, including military education and training for Veterans Administration students. Please refer to the Transfer Credit Policy on page 294 for further details.

COL105.5 Critical Thinking

This course provides instruction and practice in the areas of critical thinking, problem solving and use of research as a problem-solving tool. Course objectives are addressed through problem-solving methodologies, critical analysis of information, cooperative learning, and research strategies. The course also assists students in identifying and articulating the skills necessary to be successful academically and professionally. Ethical and values considerations are included within the critical-thinking and problem-solving framework. This is an online course. *3 Credit Hours*

ENG101.5 English Writing and Composition

This course strengthens reading and writing skills of students entering the writing sequence and enrolling in other standard Carrington College courses. An integrated approach links reading with writing and addresses basic matters as they arise from assignments. This is an online course. *3 Credit Hours*

ENG151.5 Technical Writing

This course provides a foundation for the planning, writing, and editing of technical documents in scientific and technical fields. Students in this course will learn effective strategies in documenting design, written collaboration, document selection and editing, and effectively using graphics. Students will learn the basics to create technical communication that has a clear purpose and specific audience. This is an online course. *3 Credit Hours*

HIS150.5 US Government

This course explores American government with a particular focus on the institutions and processes of national government. Taught from both a historical and a social perspective, students learn the principles and problems that American government was designed to address, enabling them to better understand how our government functions and ways in which it has changed over time. This is an online course. *3 Credit Hours*

HUM250.5 Introduction to Humanities

This course introduces areas of the humanities such as history, philosophy, literature and the visual and performing arts. Students analyze and evaluate cultural artifacts such as paintings, poetry, music, dance, film and architecture and develop connections among these works and their historical and philosophical contexts. Discussions, writings, oral presentations, and group activities prepare students for more advanced inquiry in subsequent courses. This is an online course. *3 Credit Hours*

MAT101.5 Principles of Mathematics

This course provides students with critical elements of algebra for linear equations and polynomials. Starting with a foundation of real numbers, the course presents the addition and multiplication rules of solving linear equations. This is an online course. *3 Credit Hours*

MAT151.5 College Algebra

This course provides students with the analytical skills necessary to solve a variety of basic algebra problems, focusing on factoring skills and using technology to solve problems. The course includes graphing of linear equations. Students apply their skills to a variety of problems to see the real-world nature of algebra. This is an online course. *3 Credit Hours*

NUT200.5 Principles of Nutrition

This course presents basic scientific principles as they apply to human nutrition in maintaining health and preventing disease. Biochemical functions and interrelationships among nutrients in the body are examined. Contemporary nutritional controversies are evaluated. This is an online course. *3 Credit Hours*

PSY101.5 Introduction to Psychology

This course provides a foundation for understanding, predicting, and directing behavior. Organized within a framework encompassing foundations, general topics and applications, the course provides an understanding of how psychological principles and concepts relate to professional and personal life. Topics include learning, attitude formation, personality, social influence, dynamics of communication, conflict resolution, motivation, leadership and group roles and processes. This is an online course. *3 Credit Hours*

SCI210.5 Environmental Science

This course draws on information from biology, chemistry, botany, geology, engineering, geography, economics, and sociology to explore key aspects and controversial environmental issues. Students identify connections among all living things, particularly between human communities and other natural systems, and consider the impact of civilization's products on the environment. This is an online course. *3 Credit Hours*

SOC101.5 Introduction to Sociology

This course explores the complexities of intercultural relationships in a diverse society. Students are given opportunities to share cultural experiences and to discuss cultural differences and commonalities. Students consider issues of self-identity, values clarification, cultural differences, and socialization practices. This is an online course. *3 Credit Hours*

Added course descriptions for the Associate Degree in Nursing program at the Ontario, Rancho Mirage, and Visalia campuses (Catalog p. 264, 365, rev. **December 4, 2025**)

RN10.1L Fundamentals of Nursing – Clinical

This course provides the theoretical foundation for nursing skills and give students the opportunity to demonstrate these skills in a laboratory setting. Clinical site rotations include patient care units within acute care agencies. A minimum grade of C is required to pass this course. Corequisite: RN10 and RN12. *4 Credit Hours*

RN23.1 Maternal Newborn Nursing - Theory

This course provides an integrative, family-centered approach to the care of mothers and newborns. Emphasis is placed on normal and high-risk pregnancies, normal growth and development, family dynamics and the promotion of healthy behaviors in patients. A minimum grade of C is required to pass this course. *1.5 Credit Hours*

RN23.1L Maternal Newborn Nursing - Clinical

Clinical experiences in this course provide the student an opportunity to apply theoretical concepts and implement safe patient care to mothers and newborns in selected settings. A minimum grade of C is required to pass this course. *1.5 Credit Hours*

RN36.1 Health Assessment

This course provides the framework for preparing students to perform comprehensive health assessments on patients across the lifespan. Emphasis is placed on taking a thorough nursing history, performing physiological, psychological, sociological, cultural, and spiritual assessments, as well as identification of stressors and health risks. Concurrent clinical experiences provide an opportunity to practice assessment skills on patients across the lifespan in a variety of settings.

A minimum grade of C is required to pass this course. Corequisite: RN35 RN35L, RN37 and RN37L. *1 Credit Hour*

RN37.1 Pediatrics - Theory

This course provides an integrative, family-centered approach to the care of children, and adolescents. Emphasis is placed on normal growth and development, family dynamics, pediatric disorders and the promotion of healthy behaviors in patients. A minimum grade of C is required to pass this course. Corequisite: RN36 and RN37L. *1.5 Credit Hours*

RN37.1L Pediatrics - Clinical

This course consists of skills lab and clinical hours that apply concepts of RN 37. Students will apply specific skills, effective communication, the nursing process, and concepts in the care of pediatric client/family collaboration with other health care team members. A minimum grade of C is required to pass this course. Corequisite: RN36 and RN37. *1 Credit Hour*
