

Supplement to the 2021-2022 Carrington College Catalog

Effective May 17, 2022

This document is a supplement to the 2021-2022 College Catalog Volume VII.II and is provided for the purpose of notifying students of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog's publication.

This is a living document; changes will be added until publication of the next Catalog.

Location & Hours of Operation

Updated the campus locations of Las Vegas offering the Associate Degree in Nursing program and Phoenix Campus, Phoenix Education Center (Trades Education Center) offering the Trades Studies Associate Degree program (Catalog p. 8, p. 9, rev. **May 14, 2022**).

Las Vegas Campus

5740 S. Eastern Ave., Ste. 140
Las Vegas, NV 89119
Phone: 702 688 4290

Monday – Thursday

7:00 am – 10:00 pm

Friday 7:30 am – 5:00 pm

Saturday 9:00 am – 1:00 pm

Certificate programs

Dental Assisting
Medical Assisting
Medical Billing and Coding

Associate Degree programs

Associate Degree in Nursing
Physical Therapist Assistant
Respiratory Care

Las Vegas Campus Physical Resources

The Carrington College Las Vegas campus offers certificate and degree programs in a 26,191 square foot facility composed of modern classrooms and laboratories. Each classroom is equipped with LCD projectors and wireless computer access. Labs are outfitted with microscopes, anatomy models, simulation manikins and other equipment to approximate each subject areas' professional settings. The campus has administrative offices offering a variety of student services including enrollment services, career services, registrar services, and financial services. The Carrington library website offers online resources and professional organization information. In addition, the Las Vegas campus partners with area hospitals and facilities to accommodate students in their clinical experience.

Phoenix Education Center (Trades Education Center)

8836 N. 23rd Ave., Building B
Phoenix, AZ 85021

Monday – Thursday

8:00 am – 12:00 pm and

6:00 pm - 10:00 pm

Certificate programs

Electrical Technology
Heating Ventilation, Air Conditioning and Refrigeration
Maintenance Technician
Veterinary Assisting

Associate Degree programs

Electrical Technology

Heating, Ventilation, Air Conditioning and Refrigeration
Maintenance Technician
Trade Studies

Phoenix Education Center Physical Resources

The Phoenix Education Center was established in 2020 and is approximately 19,000 square feet. The facility provides students five lab spaces, two tool rooms and a student lounge. The Carrington library website offers online resources and professional organization information.

Accreditation & Approvals

Updated the Distance Education section (Catalog p. 17, rev. **May 14, 2022**).

Distance Education

Carrington College is authorized to offer distance education in the following states: AK, AZ, AR, CA, CO, FL, GA, HI, IA, ID, IL, MS, MO, MT, NC, ND, NV, NJ, NM, OH, OR, PA, SC, SD, TN, TX, UT, VA, VT, WA, WV, and WY. Program availability varies by state.

Holiday Calendar

Updated Winter Holiday list of programs to include Trade Studies (Catalog p. 21, rev. **May 14, 2022**).

Winter Holiday*

See the below chart for details. Students should contact their Program Director or Dean of Nursing for any exceptions regarding clinical or externship requirements during this time.

*Winter Holiday Schedule 2022 (First date off through last date off)	
December 23, 2022 - January 2, 2023 (Campus-based courses only. Online General Education courses are still in session)	December 23, 2022 - December 26, 2022
Associate Degree in Nursing	Criminal Justice: Corrections
Dental Assisting Degree (Science Emphasis)	Dental Assisting Certificate
Dental Hygiene	Dental Assisting Degree (Non-Science Emphasis)
LVN to ADN	Electrical Technology
Medical Radiography	Health Information Technology
Nursing Bridge	Health Studies
Physical Therapist Assistant	HVAC-R
Practical Nursing	Maintenance Technician
Respiratory Care	Massage Therapy
Surgical Technology	Medical Administrative Assistant
Veterinary Technology	Medical Assisting
Vocational Nursing Certificate	Medical Billing and Coding

Vocational Nursing Degree (Science Emphasis)	Pharmacy Technology
	Phlebotomy Technician
	Physical Therapy Technology
	Trade Studies
	Veterinary Assisting
	Vocational Nursing Degree (Non-Science Emphasis)

Programs of Study

Updated Programs of Study section to include Trade Studies (Catalog p. 26, rev. **May 14, 2022**).

Program availability varies by location; see specific program section for details. Carrington College offers certificate and degree programs in the following areas:

Certificate of Achievement Program

Dental Assisting
 Electrical Technology
 Heating, Ventilation, Air Conditioning, and Refrigeration
 Maintenance Technician
 Massage Therapy
 Medical Administrative Assistant
 Medical Assisting
 Medical Billing and Coding
 Pharmacy Technology
 Physical Therapy Technology
 Practical Nursing
 Veterinary Assisting
 Vocational Nursing

Certificate of Achievement Course

Phlebotomy Technician

Associate of Occupational Studies

Degree Programs

Spokane campus only
 Medical Radiography

Associate of Science Degree Program

Associate Degree in Nursing
 Criminal Justice: Corrections
 Dental Assisting
 Dental Hygiene
 Electrical Technology
 Health Information Technology
 Health Studies
 Heating, Ventilation, Air Conditioning, and Refrigeration
 LVN to ADN
 Maintenance Technician
 Medical Assisting
 Medical Billing and Coding

 Physical Therapist Assistant
 Respiratory Care
 Surgical Technology
 Trade Studies
 Veterinary Technology
 Vocational Nursing

Associate Degree in Nursing

Added the campus location of Las Vegas offering the Associate Degree in Nursing program (Catalog p. 26, rev. **May 14, 2022**).

Offered to new students at:

- **Albuquerque**
- **Las Vegas**
- **Mesa**
- **Phoenix**
- **Reno**
- **Tucson**

Added the Las Vegas campus in the Program Learning Outcomes for the Associate Degree in Nursing program (Catalog p. 28, rev. **May 14, 2022**).

Program Learning Outcomes (Las Vegas, Mesa, Phoenix, Reno, Tucson)

Upon completion of the Associate Degree in Nursing program, graduates will be able to:

- Collaborate with the patient, family, significant others, and members of the healthcare team to provide safe, quality patient-centered care using the nursing process.
- Examine critical thinking and nursing judgement in the delivery of patient-centered care to promote and restore health for patients.
- Evaluate effective communication with patients, families, significant others, and other professionals within the context of the healthcare environment.
- Demonstrate behaviors consistent with the legal and ethical framework of nursing.
- Create an environment that promotes caring and professionalism with consideration for the patient's cultural/societal beliefs and practices.
- Apply scientific and evidence-based knowledge, regarding alterations in health, to guide actions which promote human flourishing and maintain patient-centered care.
- Integrate commitment, accountability, integrity, and discretionary judgment in their professional nursing role.
- Examine their role in safe healthcare delivery.

Added the Las Vegas campus in the Program Requirements for the Associate Degree in Nursing program (Catalog p. 29, rev. May 14, 2022).

Campus-Based

Program Requirements – Albuquerque, Las Vegas, Mesa, Phoenix, Reno, and Tucson

Associate Degree in Nursing

Approximate time to complete degree program: 96 weeks (not including breaks)

* Science-based general education course

† Online general education course

Note: Course descriptions begin on page 156.

Added the Las Vegas campus in the Admission Requirements for the Associate Degree in Nursing program (Catalog p. 29, rev. **May 14, 2022**).

Admission Requirements for Albuquerque, Las Vegas, Mesa, Phoenix, Reno, and Tucson

In addition to meeting the College's standard admission requirements, candidates must:

- Pass the ATI TEAS Admission Assessment with a combined score of 58%. There is a fee to test, paid directly to ATI. A second attempt is allowed 7 days following the first attempt. A third attempt is allowed 30 days following the second attempt. After failing the third attempt, the wait period is 6 months. At this point in time, a candidate may start the above process over again.
- Applicants in Reno are required to submit to drug screening and background checks, the results of which could affect enrollment in the program.

In addition to meeting the College's standard admission requirements, candidates must complete prior to attending courses:

- Attend Associate Degree in Nursing information session.
- Nevada state law requires new students attending courses onsite at a Nevada campus to provide proof of immunization prior to attending courses on campus. Please refer to the specific requirements as located in the Nevada Immunization Requirements section of this catalog.

In addition to meeting the College's standard admission requirements, candidates must provide prior to first clinical:

- Submit to drug screening and background checks that may include fingerprinting, the results of which could affect enrollment in the program.
- Provide negative TB test results. If test results are more than 12-months old, they must be from a two-step test; tuberculosis clearance (PPD) or the alternate QuantiFERON-TB Gold (QFT-G) blood test. Applicants with a history of a positive TB test must also have a chest X-ray.
- Provide proof of childhood Measles, Mumps and Rubella (MMR) immunization x2 or titer. Students must receive the 2nd injection at least four weeks after the first dose per CDC guidelines.
- Provide proof of the first dose hepatitis B vaccination or written refusal. Students must receive the 2nd injection at least one month after the first dose and the 3rd injection six months after the first dose per CDC guidelines.
- Provide proof of varicella immunization (in the absence of a history of having had chickenpox), or varicella titer proving immunity.
- Provide proof of Tetanus, Diphtheria, and Pertussis (TDAP) proof of vaccination within the previous 10 years or titer proving immunity.
- Provide proof of yearly influenza vaccination, applicable during flu season.

Electrical Technology

Updated the employment position description section (Catalog p. 51, rev. **May 14, 2022**).

Offered to new students at:

- **Phoenix Education Center**

Employment positions determined to be in field, to calculate the graduate employment rates required by the State of California, for graduates of the Electrical Technology program are: Electricians (47-2111.00), Security and Fire Alarm System Installers (49-2098.00), Signal and Track Switch Repairers (49-9097.00), First-Line Supervisors of Construction

Trades and Extraction Workers (47-1011.00). More information on these careers may be found at <https://www.onetonline.org/crosswalk/> using the career title or the Standard Occupational Classification (SOC) number.

Applicants for jobs in the electrical technology field may be subject to pre-employment screenings such as, but not limited to, criminal background checks, drug and/or alcohol testing, physical and/or psychological examinations, and credit checks.

*Degree completion courses are provided in an online format, and the degree is awarded from the Phoenix campus.

Heating, Ventilation, Air Conditioning, and Refrigeration

Updated the employment position description section (Catalog p. 62, rev. **May 14, 2022**).

Offered to new students at:

- **Phoenix Education Center**

Employment positions determined to be in field, to calculate the graduate employment rates required by the State of California, for graduates of the Heating, Ventilation, Air Conditioning, and Refrigeration program are: Heating, Air Conditioning, and Refrigeration Mechanics and Installers (49-9021.00), and Maintenance and Repair Workers, General (49-9071.00). More information on these careers may be found at <https://www.onetonline.org/crosswalk/> using the career title or the Standard Occupational Classification(SOC) number.

Applicants for jobs in the heating, ventilation, air conditioning, and refrigeration field may be subject to pre-employment screenings such as, but not limited to, criminal background checks, drug and/or alcohol testing, physical and/or psychological examinations, and credit checks.

*Degree completion courses are provided in an online format, and the degree is awarded from the Phoenix campus.

Maintenance Technician

Updated the employment position description section (Catalog p. 62, rev. **May 14, 2022**).

Offered to new students at:

- **Phoenix Education Center**

Employment positions determined to be in field, to calculate the graduate employment rates required by the State of California, for graduates of the Maintenance Technician program are: Industrial Machinery Mechanics (49-9041.00), Helpers-Installation, Maintenance & Repair Workers (49-9098.00), Maintenance Workers, Machinery (49-9043.00), and Multiple Machine Tool Setters, Operators, and Tenders, Metal and Plastic (51-4081.00). More information on these careers may be found at <https://www.onetonline.org/crosswalk/> using the career title or the Standard Occupational Classification (SOC) number.

Applicants for jobs in the maintenance technology field may be subject to pre-employment screenings such as, but not limited to, criminal background checks, drug and/or alcohol testing, physical and/or psychological examinations, and credit checks.

*Degree completion courses are provided in an online format, and the degree is awarded from the Phoenix campus.

Trade Studies (Online Degree Completion)

Added the Trade Studies online degree completion program (rev. May 14, 2022).

Carrington's Trade Studies program, which culminates in an Associate of Science Degree*, provides an opportunity for individuals to build on prior education to earn the educational credential that is often needed for advancement.

Offered in an online format, students in the Trade Studies program enjoy the flexibility of attending school "anytime, anywhere" while continuing to work in their current jobs. Students are provided with a comprehensive learning experience provided by faculty who complete specialized instruction to prepare them to teach via this medium.

Offered to new students online

*Degree awarded from the Phoenix campus

The following job categories are considered in-field to calculate the graduate employment rates required by the State of California for graduates of the Trades Studies Associate of Science Degree program. Detailed information for each Standard Occupational Classification (SOC) can be found at <https://www.onetonline.org/>.

Electrical Technology

- Electricians (47-2111.00)
- Security and Fire Alarm System Installers (49-2098.00)
- Signal and Track Switch Repairers (49-9097.00)
- First-Line Supervisors of Construction Trades and Extraction Workers (47-1011.00)

Heating, Ventilation, Air Conditioning, and Refrigeration

- Heating, Air Conditioning, and Refrigeration Mechanics and Installers (49-9021.00)
- Maintenance and Repair Workers, General (49-9071.00)

Maintenance Technician

- Industrial Machinery Mechanics (49-9041.00)
- Helpers-Installation, Maintenance & Repair Workers (49-9098.00)

- Maintenance Workers, Machinery (49-9043.00)
- Multiple Machine Tool Setters, Operators, and Tenders, Metal and Plastic (51-4081.00)

Online (Program conferred from Phoenix)

Approximate time to complete degree completion coursework: 30 weeks (not including breaks)

Note: Course descriptions begin on page 156.

* The semester credits required to complete the Trade Studies Associate Degree program varies based on the number of credits completed in the trade-related certificate program.

Trade-Related Certificate Credits	Trade Studies Degree Credits Required
30 - 32	30
33 - 35	27
36 - 38	24
39 - 40	21

Please refer to the Transfer Credit Policy on page 221 for further details.

Admission Requirements

Applicants to the Trade Studies Associate of Science online degree completion program must meet the following requirements:

- Have earned a certificate from an accredited Institution with a minimum of 30 semester credits and at least a 2.0 GPA applicable to a trades-related program (see chart above for certificate semester credits completed and degree credits required).
- Own or have unrestricted access to a computer with reliable internet access and an email account.

General Education and Training Courses

Added the Non-Degree Seeking Students section (Catalog p. 153, rev. **May 14, 2022**).

TRAINING COURSES

Certificate Program Courses for Non-Degree Seeking Students

A non-degree student takes individual course(s) within a term without pursuing a full certificate or degree program. Should any individual course the student is seeking to enroll in require a pre-requisite course to be completed, the student must complete the pre-requisite course and submit the official transcript showing the successful completion of the course prior to enrollment.

Enrollment in a course(s) is independent of any Carrington College program enrollment and will be treated separately. The cost of the course(s) is not eligible for financial aid. Payment is the sole responsibility of the student, and payments must be made as agreed upon in the student's Retail Installment Contract.

Completion of course(s) as a non-degree student at Carrington College does not guarantee entry into any of the programs. If you intend to transfer Carrington College courses to another institution, you must contact the institution directly to determine the transferability of units. Accepting transfer credits is always and only up to the receiving institution.

Please refer to the Start Dates section for the available term dates. Not all courses are available each term. Please contact an Enrollment Services Representative at the desired campus for course availability.

Certificate Program Courses	Location	Cost Per Term
Dental Assisting	Albuquerque, Boise, Las Vegas, Mesa, Phoenix, Portland, Spokane, Tucson	\$3,072
Dental Assisting	Pleasant Hill, Sacramento, San Jose, San Leandro, Stockton	\$3,470

Admission Requirements and Procedures

Added the Trade Studies Degree to the Admission Testing section (Catalog p. 219, rev. **May 14, 2022**).

Admission Testing

Applicants must pass the Wonderlic Scholastic Level Exam (SLE) for admission as administered by the College. Any additional admission requirements are noted on the program page.

The following programs are not required to complete a Wonderlic SLE test for admission as the applicant has demonstrated academic ability based on the program admission requirements:

- Dental Assisting Degree
- Electrical Technology Degree
- Health Studies Degree
- Heating, Ventilation, Air Conditioning, and Refrigeration Degree
- LVN to ADN (Certificate and Degree)
- Maintenance Technician Degree
- Nursing Bridge Degree
- Trade Studies Degree
- Vocational Nursing Degree

Start Dates
