Transfer Credit

Acceptance of credit earned at Carrington College is always at the sole discretion of the receiving school and generally depends on comparability of curricula, comparability of accreditation, and other academic policies. The College makes no representation concerning the transferability of credit earned at Carrington to any other institution. Students must contact the receiving institution to determine what credits, if any, will be accepted. Carrington College has established articulation agreements with other academic institutions. The list of institutions is available from the Student Success Center Manager at each Carrington location.

Average Time to Complete

The average time that a graduate of a program from July 1, 2016 – June 30, 2017 took to complete a program by award level is found in the chart below:

Award Level	Average time to complete in weeks
Undergraduate Certificate	43

Footnotes:

¹ Includes registration and applicable course resource fees, electronic book and electronic equipment fees, elabs, tuition, textbooks, required program lab kits, supplies and uniforms; total program costs will vary depending on transfer credit accepted, proficiency credit earned, course repeats, etc. The stated price includes all applicable state and local sales and use taxes.

² The number of weeks that the program is designed to be completed in. Some students may complete in a longer time, others may complete in less time, and some students may not complete the program at all.

³ The average time to complete the program of Oregon residents that completed the program from July 1, 2016 - June 30, 2017.

⁴ The percentage of all new full-time students including transfer students who began their program from 2010-2011 who completed the program within 150% of the program length.

⁵ The median cumulative amount of debt students who entered in 2015-2016, utilized Title IV aid and graduated within program length. Debt includes Title IV loans, private loans and institutional debt.

⁶ The amount the typical graduate may expect to pay annually given the median total debt amount, a 4.45% interest rate, and a 10 year repayment period.

⁷ The Fiscal Year 2014 (most recent) cohort default rate as provided by the Department of Education. This rate is calculated at the OPEID level which includes Portland, OR and Spokane, WA.

⁸ Self-reported by students at the Portland campus and students attending online who graduated from 9/1/2016 through 8/31/2017. The job placement rates are calculated by dividing "Total graduates employed in field" by "total graduates available for employment" as further defined below.

"Total Graduates Employed in field" means all students included in "total graduates available for employment" who had existing in field employment or found new in field employment within six months of graduation and includes both those that were actively assisted in obtaining their job by the school, and those that were not.

"New Employment" is defined as employment obtained no earlier than 6 months prior to graduation.

"Existing Employment" is defined as employment that existed at the time of enrollment or was obtained more than 6 months prior to graduation. "Total graduates available for employment" means all Oregon students who graduated between 9/1/2016 and 8/31/2017 minus those who entered another post-secondary education program or the military full-time, were incarcerated, or died.

⁹ Median calendar year 2014 earnings for 2010-11 and 2011-12 Title IV graduates. This figure is provided by the Department of Education. Programs with an identical CIP code and credential level may have their earnings aggregated together and a single earnings figure reported.

¹⁰ Designation of pass, zone, or fail provided by U.S. Department of Education based on the program's debt-to-earnings ratios. This designation is made at the OPEID level which includes Portland, OR and Spokane, WA.

¹¹ There were fewer than 10 graduates in this program. Average time to graduate, graduation rate, median borrowing, median annual loan payments, job placement success and median starting salaries are withheld to preserve the confidentiality of graduates.
