Dear President Akens:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met November 14, 2013 to review the Substantive Change Proposal from Carrington College California for the request to add the 11 campuses of Carrington College located outside the geographic region of Carrington College California.

The Committee acted to approve the request pending a federally mandated site visit by a Committee representative to each of the eleven new locations. The visits are to take place by April 8, 2014, for review by the Committee at the May 8, 2014 Substantive Change Meeting. Please contact me to schedule the visits.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford, Ed.D.
Vice President
