President  
Carrington College California  
7801 Folsom Blvd #210  
Sacramento, CA 95826

Dear President Akens:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 4-6, 2014, reviewed the Follow-Up Report submitted by Carrington College California. The Follow-Up Report was certified by college leadership, including the chair of the governing board, the college president, and leaders of the faculty, staff, and student organizations. The College provided evidence that it addressed Recommendations 3 (to address a gap in student performance in writing) and 7 (access to online library catalog), resolved the deficiencies, and meets the associated Standards II.A.1.c; II.C.1.c; and II.C.1.d.

The Follow-Up Report submitted in March 2014 will become part of the accreditation history of the College. The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. This group should include the campus leadership, and the Board of Trustees.

The Commission also requires that the Follow-Up Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no farther than one click from the institution's home page.*

Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. Carrington College California must demonstrate to the Commission at the time of the next regularly scheduled report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained.

Carrington College California will submit a Midterm Report in **spring 2016**.<sup>1</sup>

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, educational quality, and student success.

Sincerely,

Barbara A. Beno, Ph.D.  
President
