Dear President Akens:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met March 5, 2015 to review the Substantive Change Proposals from Carrington College for 1) the Criminal Justice Program Certificate of Achievement and Degree Completion offered at 50% or more via distance education, and 2) the reactivation of the voluntarily suspended Health Care Administration and Medical Billing and Coding programs offered at 100% via distance education.

The Committee acted to approve the request and thanks the College for the completeness of the proposals.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and institutional quality.

Sincerely,

Susan B. Clifford, Ed.D.
Vice President
