Mr. Jeff Akens
President
Carrington College
7801 Folsom Blvd., Ste 210
Sacramento, CA 95826

Dear President Akens:

Carrington College staff has notified the ACCJC that the College will be changing the name of the current Health Care Administration program to Medical Administrative Assistant. This applies to the Associate of Science, Certificate of Achievement, and degree completion programs offered fully online as well as in hybrid format.

The College made the name change decision because the title of Medical Administrative Assistant aligns more closely to the program offerings and is more commonly used at the associate's level. Carrington College will inform the appropriate state agencies before implementing the change.

Thank you for the communication to the ACCJC and please let us know if there are any changes in the information provided. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring educational quality, integrity and institutional effectiveness.

Sincerely,

Susan B. Clifford, Ed.D.
Vice President
