**the federal government. Deceased and permanently disabled students are also excluded.**

**\*\*Percentages have been rounded to the next whole number.**

## Retention Rates

The retention rate cohort consists of first-time, full-time degree-seeking students who began their program of study in Fall 2023 (August 1, 2023 – October 31, 2023) and are still enrolled or who have completed their studies as of the end of Fall 2024.

The retention rates for first-time, full-time students for the Fall 2023 cohort by campus are provided in the table below. The institutional and campus retention rates were calculated using the IPEDS formula. If a Campus does not appear in the list below then there were no first-time, full-time entering students in Fall 2023.

Campus	Fall 2023 Cohort Enrollment	Still Enrolled/Completed	Retention Rate
0221800 (Boise & Reno)	93	66	71%
02100600 (Phoenix, Albuquerque, Las Vegas, Mesa & Tucson)	437	333	76%
03042500 (Portland & Spokane)	155	94	61%
00974800 (Sacramento, Citrus Heights, Ontario, Pleasant Hill, San Jose, San Leandro & Stockton)	368	261	71%
<b>Total</b>	<b>1053</b>	<b>754</b>	<b>72%</b>

\*Does not include students who left school to serve in the armed forces, on official church missions, or in the foreign service of the federal government. Deceased and permanently disabled students are also excluded.

When Sacramento started offering Completer Bachelor's Degrees it became a 4 year institution according IPEDS. Thereafter, we did not report Sacramento retention rates to IPEDS because the starting cohort is only includes FTFT Bachelor's degree students and all Bachelor's degree seekers are not considered First-time students.
