

BACHELOR OF SCIENCE IN HEALTHCARE ADMINISTRATION

CLINICAL SCIENCE CONCENTRATION - ENTERING WITH A PHYSICAL THERAPIST ASSISTANT ASSOCIATE DEGREE

About This Program

The Bachelor of Science in Healthcare Administration (BSHCA) is designed to prepare students with the foundational skills and knowledge needed for healthcare administrators. This program version is intended to meet the needs of applicants who have previously completed a Physical Therapist Assistant Associate Degree program.

The clinical science concentration is primarily focused on advancing the clinical science knowledge and application of the Physical Therapist Assistant. The courses taken in the program will prepare students for entry to mid-level administrative positions in healthcare facilities.

BSHCA is a fully online program delivered virtually through Carrington College's learning management system which offers students flexibility in where and when they complete their course activities. Students are not required to attend any face-to-face on-campus learning experiences. All content, learning activities, and assessments are delivered online.

Program Learning Outcomes

Upon completion of the Bachelor of Science in Healthcare Administration program, graduates will be able to:

- Disseminate knowledge to a variety of healthcare professionals.
- Analyze complex scientific concepts to solve healthcare related problems.
- Demonstrate the knowledge and skills for leadership roles in healthcare organizations.
- Apply principles of science to enhance quality assurance for the healthcare team.
